* Up to date tuition fees can be found at: <http://www.....>

** Details of bench fees are found below (if needed, also may include research cost at Your University and at KSU)

*** The supervisor from Your University can visit KSU to supervise the progress of the student's research work once or twice per year (5 days per visit) on an as-needed basis. The visits of the main supervisor will be funded by KSU (tickets, accommodation), help with obtaining a visa will be provided. In case a supervisory team was assigned, any member of that team can visit in place of the main supervisor. Similarly, if necessary, the KSU supervisor would visit your institution once per year, at the same time that the student will be visiting so that all parties will meet.
